1. Please use this form to list and record the number of all of the items from a particular donation or collection. If you have multiple boxes, label them (e.g., box 1 of X). Use a separate line for each sport and type of item (e.g., soccer jerseys, shorts, socks, etc. should all be separate). Use a second sheet if you run out of space (label pages 1of 2 and 2 of 2).

2. When finished, place the completed form in the box of sports equipment being shipped or delivered to Sports Gift.
