## Ladera Holiday Charity Soccer Camp

December 10th, the Rancho Santa Margarita Soccer Club (RSMSC) hosted a Holiday Charity Soccer Camp at the Ladera Sports Complex. The RSMSC is a non-profit organization established for youth; they provide a higher level of soccer experience for all their member.

The purpose of this event not only offered players a camp experience but the opportunity to assist those who are less fortunate during the holidays. Members were asked to bring non-perishable groceries and they also collected used and new soccer equipment to be donated to underprivileged children.
